Go ye into all the world,
and preach the gospel to
every creature.
-Mark 16:15

Dear Pastor and Church,

The past several months have been an amazing experience and a very busy time for my family. Since late fall, we have been working through the application process with Fundamental Baptist World-Wide Missions, out of Memphis, TN. This has proven to be a very long process, with sending in applications, getting reference letters back, creating prayer cards and prayer letter templates, to building our display table for deputation. You really never consider what all goes into this work until you have experienced it for yourself.

With our official commissioning back on April 9th, reality has really started to set in. We can't thank the church enough for your love and support throughout this process, and we know that we can count on you to be in prayer for us through the deputation ministry and then the church planting ministry as we move to Montana down the road.

I recently took a trip to Butte for three days, where I was able to meet with some locals and have some very good conversations with them. I learned a lot in speaking with them, and I have a lot more to learn still. I was able to find several options for starting Bible studies in the city, through hotel conference rooms, that are a very reasonable price. Of course, we have a while before we get there, but it is good to know there are some good options available if we end up starting in a conference room for our initial meetings. I was also able to take a lot of good pictures for our display table and our video presentation of the ministry. I also have some good items to place on our table for things that represent Butte and Montana as a whole.

Please continue to pray for our family as we work toward the start of deputation. We will be traveling June 2nd thru June 10th for the FBWWM Annual Institute of Missions (AIM) training week in Memphis, TN. This is also the time where the agency will give their decision on our official acceptance with their organization. After receiving our acceptance, we will be able to start scheduling meetings for deputation, which we plan to start in September of this year. It is possible we may have some meetings before that time, depending on what the churches request.

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
