Dear Praying Friends,

Merry Christmas! It's hard to believe another Christmas is only a week away. So much has happened this past year, and it's been an exciting time for our family. I have left my secular job, we went full time on deputation, and saw God work and provide like never before! Only God knows what 2019 will hold for us. With the recent early snow for us in NC, it seems He is trying to prepare us for Montana also!

Since our last letter, we have had a slow calendar. We have contended with Thanksgiving and the generally slower December timeframe. However, we did have a couple meetings in GA that we were very thankful to get. It has been a good opportunity for us to spend time with our home church and fellowship and serve with them. Our church family has been such a blessing to us, especially this past month!

I have taken the time to make as many contacts with churches as I can, and we have scheduled several meetings for next year. We are still working to fill the 2019 calendar, but things are coming together well. We are looking forward to mid-January when our next scheduled meetings start back up.

Please continue to **PRAY** for our family and ministry as God leads us in this deputation ministry. **PRAY** for safety in traveling, and **PRAY** that God would have the churches we have been in to support us, and open the doors to the churches that He would have us be in. As one missionary stated it, "God knows the churches that will support me, but I have to find them". We are thankful for a few individual families that have committed to support us over this past month. Also, with the end of the year coming, we are hopeful for other churches we have been in to start supporting us as well. **Thank you again for your support and please PRAY for the souls of Butte, Montana!**

Thank you to the following churches for hosting us recently:
