Dear Praying Friends,

I hope everyone is having a wonderful start to 2019! We are excited to get started with meetings again since the slowness around Christmas. We have started our meetings for 2019, attended the National Church Planters Conference, and saw God work in our lives in a great way!

The National Church Planters Conference was a great time of encouragement and challenge to our family. This is a conference where church planters to America gather together for three days, along with Pastors from around the country. We heard tremendous messages from the Word of God, and were greatly encouraged by the help that was provided to us church planters! Devin and Lydia also had a great time in the youth conference that was going on at the same time. We were all greatly challenged with a quote stating that *"every person you meet is someone that your best friend died for"*! A powerful truth that we all need to stand for Christ, sharing Him at every opportunity. He died for ALL, not just the ones we want to approach.

Now that the conference is over, we are getting ready for a couple weeks in Florida, then Virginia, and back to North Carolina. Our schedule is coming together well for the year, but there are still many openings that we would like to fill. Please pray for our calendar to fill up and for churches to catch a burden for the people of Butte. We would love to be able to get to Butte by our original target date of this Fall (more recently targeting Spring 2020), but we need your prayers for our support to come in. We know God can do it, and we know His timing is perfect, whatever that may be. It's easy to put God in a "time box", but that only limits His power.

As always, continue to pray for the people of Butte, Montana. There is a great spiritual warfare going on there, with 30+ churches that are preaching "another gospel". The deception is great, but the power of our God is so much GREATER!!! I was able to meet a couple pastors from around the state of Montana and Idaho this week at the conference, and was encouraged as they want to work with us when we get out there. We thank you for your prayers and support of our family and this ministry!

Thank you to the following churches for hosting us recently:
