Dear Praying Friends,

**God is good!** We are back from Montana, and already been to GA twice along with a week in FL. We have had some really good meetings, and as always, we have met a lot of great people and been encouraged by them. I thank you for your continued prayers for our family and ministry. **My wife had her surgery** as planned and doctors say she came through better than they expected. She stayed overnight but the nurses said she was ready to go home the evening of the surgery. We are praying she is cleared to travel this week so she can get back on the road with us later in the week.

This past month has been different with only Devin and I doing the traveling, since coming back from Montana, but it has still been good. We are looking forward to traveling again **as a family** as it simply isn't the same without them. God has met our needs and I can't say enough good about His provisions for our family. **I am thankful for family and friends across the country that have been praying for us.** I know that is why things are working out so well. My wife was worried about me not being able to make calls due to helping her with the surgery, but even during that time, pastors contacted me and scheduled meetings. **God is good!**

We still have several meetings scheduled for the rest of the year, but we need a few more in November and December. Please **pray** that God would provide the meetings that He wants us to have for the remainder of the year. Also, as I schedule meetings for 2020, I ask prayers for wisdom to know where to call. God knows where our support is already, but I just have to find the churches! All in His time and in His way.

### Thank you to the following churches for hosting us recently:

9/22	Whitehall Baptist Church	Whitehall, MT
9/25	Mountainview Baptist Church	Custer, SD
10/2	Ridgeway Baptist Church	Commerce, GA
10/6	Johnstown Baptist Church	Lake Butler, FL
10/9	Gardens Baptist Church	Port St. Lucie, FL
10/13	Countryside Baptist Church	Lake Mary, FL
10/13	Central Baptist Church	Orange Park, FL
10/20	Watermelon Creek Baptist Church	Glennville, GA

Every time I visit Butte, I come back reenergized and with an increased passion for getting there. When I present our ministry, the people tell me they can see the genuine passion and burden that I have for the people. **Thank you** for praying with us for the people of Butte. **Thank you** for praying for my family's health needs and travel needs as we go. **There is a great harvest awaiting laborers here in our own country. Who will go?!**

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
