Dear Praying Friends,

With 2020 now behind us, I am looking forward to what 2021 holds for us in our family and ministry. As some of you may have heard, our family (except Lydia) got COVID during the last of December and the first of January. We are praising the Lord that it was a mild case and that we are all recovered now and through the quarantine. We are back on the road now and excited to see God work through our ministry. **We thank you for your prayers and support during this time and all of the time.**

As I write this letter, we are sitting in New Mexico, where we will be for the better part of a month, and then we finish up our trip in Arizona right before our next letter comes out. With the virus going on, our January got off to a slow start, but we have had two very good meetings so far, and we are looking forward to what God has for us here in NM and AZ through February. As we have our Sunday schedule full through the end of April, **I ask that you pray** God would fill our mid-week services, especially while we are here in NM as we only have Sundays scheduled with one exception.

I would like to extend a special thank you to Hillsboro Baptist Church, our newest supporting church. Also, thank you to the following churches that recently hosted us:

01/17	Silver Valley Baptist Church	Lexington, NC
01/26	Mt. Calvary Baptist Church	Deming, NM

As always, **I desire your prayers** for my family and me as we travel in the ministry. I ask prayer for health and safety, but I really want to see God work in a mighty way this year in our ministry and be used by Him to lead people to decisions for salvation and others that will further the gospel around the world. Thank you for your faithful prayers as they have been felt by our family. Your faithfulness in prayer and giving will be rewarded, and souls will be applied to your account. May God richly bless each of you as you do His will!

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
