Dear Praying Friends,

*"For unto you is born this day in the City of David a Saviour, which is Christ the Lord"* (Luke 2:11). This is such a common verse to read and hear around Christmas. It is a verse that shares an amazing truth, that our Saviour would become a man, and walk with us. That he would give his life for all of ours, when we are so undeserving. Let us propagate this message of truth and hope through all our lands. I hope you all had a wonderful Christmas with your family and friends.

**This was our first Christmas in our new home**, across the country from our family and friends that we are used to spending it with. God has been so good through it all, and we are grateful for technology where we can video chat with everyone we would normally do Christmas with. It was not the same, but at least we could see and hear family as we shared gifts with each other. We are thankful for those of you who have sent gifts and cards to us over the past months. It is always an encouragement to our family.

**As we continue with our renovation work on our home**, we are now making good progress. We look forward to when it will be complete. We are trying to complete everything soon so we can start dedicating our time and efforts on the new church plant. We are excited to hear from at least three additional churches that want to come out to help us with the John and Romans Distribution and our Get Acquainted meetings. Continue to seek the Lord and see if He would have your church come and help as well. God is working and we can't wait to see what He does at the start of His church.

As of now, we are working to make sure we have a good testimony in the community and leaving tracts as we go. My wife has met a lady by the name of Linda, that runs a local store, and she goes there often to talk with her. Pray that Linda would be open to the truth and that she would come to the saving knowledge of Christ. From what we have learned, this is probably the best way to reach people in this area (and probably anywhere). **Pray for us as we build these relationships and meet more people here in Butte.**

As always, we thank every one of you for your faithfulness in prayer and financial support that our family needs to do the work that God has called us to. You are all a blessing. Keep praying and serving the Lord where He has you. I pray you all have a Happy New Year and that you grow in grace and knowledge of our Lord Jesus Christ every day. God bless!

In Christ,  
Dustin, Melissa, Devin, and Lydia Beck
