Dear Praying Friends,

I want to thank each of you for your continued prayers and support for our family and the new Grace Baptist Church of Butte. God has been working in prayer and answering in awesome ways all around us. Coming off the busy month of April, May has been much slower, and that was much needed for our family. Along with this letter, I want to also inform you that we have a video update available on YouTube that I am happy to share with anyone who would like to see it.

We have continued to hold all three services with several visitors scattered through the month. Our faithful attendees have continued to come. We have peaked this month with eleven in one of our Sunday morning services. In our Thursday night Prayer and Bible Study meetings, we have been faithfully praying for one of the couples where only the husband has been able to make the services. I believe both are lost but they are searching. The wife has had some serious health issues for years. Through the prayers, I got a text a couple weeks ago that something miraculous had happened. I couldn't get details for a couple days, but they both showed up to one of the services and I found out that the doctors said all her health issues had gone away. It was an "only God" moment and they see the power of prayer. Please pray for this couple's salvation. The husband still has some health issues of his own that we continue to pray for also.

As summer approaches, we have a few people planning to come out and help us with our John/Roman distribution and we look forward to getting as many to the community as possible. Our goal is to get one to every door in Butte this year. We are thankful that the gospel has reached every home already due to the mail outs earlier in the year, but we would appreciate prayers as we work to get these delivered and hopefully run into some divine appointments along the way.

This coming Monday, we are taking a trip to Gillette, WY for the 10<sup>th</sup> Annual Missions Retreat at the Western Baptist Missions Warehouse. This will be the first time we have had the opportunity to attend, and we look forward to this time. Pray for our travels with nearly seven hours drive time one way.

Continue to pray that God would bless the effort to get the John/Romans out to the city, and that He would open doors exactly where needed during this time. Continued prayers for those that have been coming to the church and others who are searching for the church God would have them in. God is working in Butte, and we are excited to be a part of it. I know God will bless you as you continue to support our ministry and we are thankful for each of you. God bless!

In Christ,  
Dustin, Melissa, Devin, and Lydia Beck
