Dear Praying Friends,

Thank you all for your continued prayers and support for our family and church here in Butte. God continues to work in answered prayers and sending visitors to us. As expected, growth is slow, but God is working and as the Bible promises in Matthew 16:18, *"...I will build my church."* When God called us to Butte, I am reminded that He used the verse from Matthew 9:36, *"But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd."* Pray with me as we focus on trying to reach out into the community to reach those that are *"scattered abroad, as sheep having no shepherd."*

I realize in most of the United States, summer has been started for a while, but here in Montana, we have only had a couple days with temperatures over 80 degrees. Humidity is very low as well, and we love it! It is awesome weather for walking the streets of the communities to share the truth of God's Word. We are currently sending out invitations through Facebook Advertising and canvassing the neighborhoods with our John and Romans packets. On Tuesday of this week, we had a Pastor friend come out and help us distribute a few hundred and we look forward to getting out many more. Our desire is to have every home in Butte (17,000+) with a copy of the John/Romans packets by the end of the year.

Earlier this month, we had an opportunity for some great fellowship with other church planters in the region at the Annual Missions Retreat at the Western Baptist Missions Warehouse in Gillette, WY. The meeting was such a blessing to us, from the great preaching to meeting new friends that are serving the Lord in churches across the Northwest. It really puts in perspective how scattered we all are and how our country needs more men to step up and accept God's calling to share the truth right here!

Thank you for your prayers as we work to reach the people of Butte through our canvassing efforts and our efforts to get into the community and meet more people. Continue to pray for those who have been coming to the church, and as a new pastor, I need wisdom in some areas. I am thankful for my support system in the Lord and in pastors that are willing to share their thoughts and recommendations with me. May God richly bless you all as you continue to support our ministry both in prayer and financially.

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
