Dear Praying Friends,

Thank you for another month of prayers and support of our family and ministry here in Butte. God continues to work in our small church and the texts and emails I get regularly sharing that people are praying for us are a great blessing.

We have four people that are faithful attendees of the church services, but God continues to bring visitors in as well. Some are visitors from the hotel that we use, and others are coming in from Butte and surrounding areas. I spoke to a man this past week that came in before the 11am service but could not stay for the service. I don't believe he knows the Lord as Saviour but feels like he is "ok." I think I made some headway with him to help him see he is lost, and he says he will come this coming Sunday. Pray for Ray, that he would come back and that he would get saved. Some of the others that have visited have expressed that they want to find a church with more people, and that's one of the things we deal with, and God knows. Praying for people that are not concerned about the size of the church, to come, but grateful for all that do come.

We are still praying about those we are following up on from our August Outdoor Banquet. With ten professions of faith at the conference, we want to see them in church. In the few that we have been able to contact, "they are not church people" as they tell us. This is a mentality that seems to be hard to break in Montana but praying God would work in their hearts. As they come, we are praying they would be willing to follow the Lord in believers' baptism, along with the man in our church that I led to the Lord last month. With this prayer, we are also praying for a place to baptize people. The hotel where the church is located will not allow us to use their pool as the only people that can go in there are people paying for a regular room. There is a lake near by that we can use until it gets colder but praying, we can find a better year-round spot.

In October, we will be traveling back to our sending church in Welcome, NC for their mission conference and we look forward to the time with our family and church family while we are there. Pray for safety as we are there (Oct. 11-15). Also, my mom will be flying back out for a week with us. The church services will continue in our absence thanks to a pastor friend in the area who has services at different times than us. Thank you again for your prayers for the city of Butte!

In Christ,
Dustin, Melissa, Devin, and Lydia Beck
