Dear Praying Friends,

**God is good all the time, and we are thankful for each one of you who prays for us and supports us financially in the ministry.** Please know that we value every email, text, and letter that we receive from you, as it's a reminder of the individuals who stand behind us. As God continues to work here in Butte and in our family, you have a part in every step.

**The Church.** Grace Baptist Church continues to grow here in Butte. We continue to see individuals in the church draw closer to God and remain faithful to Him. We have struggled with some health issues with some in the church that has kept them away, but our church wants to do the will of God and continue for Him. In one of those ways is soulwinning. They are excited about it, which is exciting to me as a pastor! We have taken a couple of Thursday nights to do some role-play and teaching on the subject, but in a few weeks, there will be three back-to-back evenings of soulwinning training from my home church pastor, Pastor Avery Varnadore, as he and his wife fly out to spend some time with us and the church. We are looking forward to this time. Please pray for good attendance and that health issues have cleared, so everyone can take part. This will back up to the start of our VBS outreach, and we look forward to seeing how God uses this time. Our VBS will be in July (16<sup>th</sup>-18<sup>th</sup>), with a group from East Side Baptist Church in Memphis, TN, coming out to help us.

**Family.** Our family is doing well. We just came back from Gillette, WY, where we had a refreshing time in the Lord at the Western Baptist Missions Warehouse, which we try to attend every year at the start of June. We were blessed to hear Pastor Tommy Morrow of Lighthouse Baptist Church in Nicholasville, KY, preach. It was a great time when church planters from across the northwest came together for fellowship and to sit under the preaching of the Word. It was refreshing for sure.

Devin is doing well and is currently in Monterey Bay, CA, at the Defense Language Institute (DLI), where he is awaiting the start of classes on June 25<sup>th</sup>. He has had a lot of downtime and, as he says, "the place is anything but Godly." We pray that God supplies him with some godly friends at some point. We are thankful that he has recently found what seems to be a solid Independent Baptist Church in nearby Marina, CA, and a person who works on base attends and is willing to take him to and from each service.

**Thank you again** for all your prayers and support for our family and ministry here in Butte. We look forward to seeing God's continued work here in our city.

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
