Go ye into all the world, and preach the gospel to every creature.
-Mark 16:15

Dear Praying Friends,

First, thank you to each of you who have prayed for our family and ministry and provided financial support for our ministry here in Butte, Montana. We can't thank you enough. You have been a true blessing to our family. As a result, we have been able to keep pressing on in the work God has called us to, and He is still at work.

In September, we had a guest preacher for the first Sunday as our family drove out to see our son, Devin, in Monterey, CA, for a few days. It was great to spend time with him and see the area he has been living in for the past several months. It seems to be a nice area, and he has made some friends there. He will also be able to come home a couple of times over the next few months, which we look forward to.

In October, my wife went to a Ladies Conference in Helena, MT, and had time to fellowship with ladies from several churches in the region. At our church in Butte, I have been teaching Daniel, Acts, and 1 Timothy during different services, and the church has received it well. As we finish all three soon, I look forward to where God will lead next. We have scheduled a Family Conference from December 6th through the 9th, where all ages will come together to learn each other's role in the family. I have a good friend, Helena, who will be preaching at the conference for me.

Because of the nature of church planting here in the States, some churches support us for one to five years instead of for the life of the ministry. We are grateful that several of these churches have chosen to keep supporting us beyond the scoped time frame as they see our church grow. Even with those extensions, we are reaching a point where many will continue to drop off, as we expected. It has dropped our overall support level down closer to 80% (based on numbers from deputation). I have not calculated our actual support need in a while, but the percentage is a little lower than what we report. I have taken on some website development and construction jobs from time to time to help with that. Also, our church plant started paying a small amount at the start of this year and may increase that some this year to help us out as they can. This is the design, and we are excited to see progress in this area.

Thank you for your continued prayers and support of our family and ministry here in Butte! God bless you all.

In Christ,
Dustin, Melissa, Devin, and Lydia Beck
